# TABLE OF CONTENTS

## EXECUTIVE SUMMARY: THE AFRICAN DATA CENTER RISES

### I. AFRICAN COLOCATION MARKET: THE DEMAND CASE

1.1 Drivers of African Colo Demand – From Cloud to Epileptic Power Supply  
   1.1.1 Connectivity: Need More, But It's Better  
   1.1.2 From Financials to Media & Cloud Players, an Expanded Addressable Market  
   1.1.3 International Players: Fitting Africa into "Global" Networks  
   1.1.4 Others: Cloud, Virtualisation, Managed Services, Regulation  
1.3 Sizing Up the African Data Center Colo TAM  
   1.3.1 Some Market Sizing Parameters  
   1.3.2 Three Types of Colo Demand: From Addressable to Potential to "Real" Demand  
   1.3.3 The Demand Curve: 60% to 90% of Potential Demand Is Not Yet Addressed

### II. AFRICAN COLOCATION MARKET: THE SUPPLY SIDE

2.1 The African Colocation Market: Supply Overview & Colo White Space Projections  
   2.1.1 African Colocation White Space Supply Bursting at the Seams  
   2.1.2 Key Colo Hot Spots & Tier Certification  
   2.1.3 Africa Colo Supply Outlook: Strong  
2.2 African Colocation Market Structure: Carrier Neutral Plays, Fibercos & Telcos  
   2.2.1 African Colo Market Structure: From Server Rooms to Data Centers  
2.3 Who's Got the Power? African Colo Data Centers & Power Infrastructure  
   2.3.1 The Exploding Demand for Data Center Power  
   2.3.2 How They Do It: African Data Centers Sources of Power  
   2.3.3 How They Do It: Diesel or Bust, High PUEs & Other Implications  
2.4 African Colo Pricing: Looking for Equilibrium – Or Not  
   2.4.1 African Colo Pricing: (Not) Looking for the Supply-Demand Equilibrium  
   2.4.2 African Colo Pricing: Outside of SA, Not Exactly Compelling for Retail Customers

### III. SUPPLY DEMAND GAPS, HOTSPOPTS & REVENUE PROJECTIONS

3.1 Supply/Demand Gap Analysis: Of Surpluses & Deficits  
3.2 From Dar es Salaam to Ibadan: Looking for Other Potential DC Hotspots  
3.3 African Colocation Market Revenue Projections: Tracking Towards the Billion

### IV. AFRICAN COLO PLAYER REVIEW, POSITIONING & BUSINESS MODEL EVOLUTION

4.1 African Colo Player Strategic Evolution: Where they Are, Where They're Going  
   4.1.1 Strategic Evolution – Tier 1 Access Carriers  
   4.1.2 Strategic Evolution – Carrier Neutral Colocation Pure Plays  
   4.1.3 Strategic Evolution – IT, Cloud Service Providers & ISPs  
   4.1.4 Strategic Evolution – Fiber Companies  
4.2 African Colo Key Player Review: From Teraco to MDI-X & Rack Center

### V. KEY MARKET ANALYSIS: JOHANNESBURG & LAGOS

5.1 Appendix: Supply Demand Gaps & Key Player Analysis in the Johannesburg Market  
5.2 Appendix: Supply Demand Gaps & Key Player Analysis in the Lagos Market
