# TABLE OF CONTENTS

1. **EXECUTIVE SUMMARY** ................................................................. 3
   1.1 Key Findings .............................................................................. 3
   1.2 Companies Covered ................................................................. 4

2. **SURVEY OVERVIEW** ................................................................. 6

3. **100-800G SYSTEMS** ................................................................. 8
   3.1 How Many Companies Ship 100G Ports? ................................. 8
   3.2 What Types of Systems Support 100G Ports? ......................... 10
   3.3 How Many Companies Ship 400G Ports? ................................. 10
   3.4 When Will Companies Ship 800G Ports? ................................. 12

4. **INTERFACE SPEEDS & PORT TYPES** ....................................... 13
   4.1 Interface Speeds Supported ...................................................... 13
   4.2 400G Ethernet Port Types Now & Future .............................. 13

5. **PHY DEVICES & VENDORS** .................................................... 15
   5.1 Which Types of PHY Device? .................................................. 15
   5.2 Which PHY Vendors Are Used? .............................................. 15
   5.3 PHY Vendor Ratings ............................................................. 16

6. **100-400G OPTICAL MODULES** .............................................. 17
   6.1 100G Modules ......................................................................... 17
   6.2 400G Modules ......................................................................... 18

7. **OPTICAL MODULE VENDORS** .............................................. 19
   7.1 Which Optical Module Vendors Are Used? .............................. 19
   7.2 Optical Module Vendor Ratings ............................................. 20
   7.3 How OEMs Choose 100-400G Optical Modules ..................... 21

8. **CONCLUSIONS** ......................................................................... 22

**TERMS OF USE** ............................................................................. 23
