LIST OF FIGURES*

SECTION I

SECTION II
Figure 2.1 Product Categories Sold by Systems Vendors Surveyed ........................................... 7
Figure 2.2 Respondents by Systems Vendor Type ................................................................. 8
Figure 2.3 Systems Vendor Respondents by Geographic Region ............................................. 8
Figure 2.4 Annual Revenues of Systems Vendors Surveyed ..................................................... 8
Figure 2.5 Components Vendor Respondents by Geographic Region ....................................... 9
Figure 2.6 Annual Revenues of Components Vendors Surveyed .............................................. 9
Figure 2.7 Geographic Markets Reached by Component Vendors Surveyed ............................ 9

SECTION III
Figure 3.1 Overall Projections by Systems Vendors of Carrier Spending for 2005 (All Respondents) .................................................................................................................. 10
Figure 3.2 Carrier Spending Growth Rate Expectations of 10 Percent or More for 2005 (By Selected Product Type) ........................................................................................................ 10
Figure 3.3 Systems Vendor Company Revenue Expectations for 2005 (All Respondents) ............................................................... 11
Figure 3.4 Company Revenue Growth Rate Expectations of 10 Percent or More for 2005 (By Selected Product Type) ............................................................... 11
Figure 3.5 Systems Vendor Profit Margin Expectations for 2005 (All Respondents) 12
Figure 3.6 Company Profit Margin Growth Rate Expectations of 10 Percent or More for 2005 (By Selected Product Type) ............................................................... 12
Figure 3.7 Overall Projections by Components Vendors of Systems Vendor Spending in 2005 (All Respondents) ............................................................... 13
Figure 3.8 Components Vendor Company Revenue Expectations for 2005 (All Respondents) ............................................................... 13
Figure 3.9 Components Vendor Profit Margin Expectations for 2005 (All Respondents) ............................................................... 14

SECTION IV
Figure 4.1 Product Sectors With Strongest Growth Potential (All Respondents) ..... 15
Figure 4.2 Product Sectors Most Likely to Experience a Downturn (All Respondents) ............................................................... 16
Figure 4.3 Emerging Services That Will Have a Major Positive Impact on Revenue (All Respondents) ............................................................... 17

SECTION V
Figure 5.1 Comparative Spending/Revenue Projections: Access/Enterprise Components ............................................................... 18
Figure 5.2 Comparative Spending/Revenue Projections: Ethernet Components .... 19
Figure 5.3 Comparative Spending/Revenue Projections: Sonet/SDH Transport Components ............................................................... 19
Figure 5.4 Comparative Spending/Revenue Projections: Packet/Cell Transport Components ............................................................... 21
Figure 5.5 Comparative Spending/Revenue Projections: Optical Components ...... 22

* All charts and figures in this report are original to Heavy Reading.
