LIST OF FIGURES*

SECTION II

Figure 2.1 Average Ratings for Vendors in Four or More Product Categories .......... 10
Figure 2.2 Top Vendors by Name Recognition .......................................................... 11
Figure 2.3 Top Vendors by Price Leadership ............................................................. 11
Figure 2.4 Top Vendors by Product Performance ...................................................... 12
Figure 2.5 Top Vendors by Product Quality & Reliability ........................................... 12
Figure 2.6 Top Vendors by Service & Support .......................................................... 12
Figure 2.7 Top Startups by Product Category ............................................................ 17

SECTION III

Figure 3.1 Billing Systems – Overall Results ......................................................... 18
Figure 3.2 Leaders by Name Recognition ................................................................. 19
Figure 3.3 Leaders by Price ..................................................................................... 19
Figure 3.4 Leaders by Performance ........................................................................ 20
Figure 3.5 Leaders by Quality/Reliability ............................................................... 20
Figure 3.6 Leaders by Service & Support ............................................................... 20

SECTION IV

Figure 4.1 Mediation Systems – Overall Results ..................................................... 22

SECTION V

Figure 5.1 Revenue Assurance & Fraud Management – Overall Results ................ 25

SECTION VI

Figure 6.1 Middleware Systems – Overall Results .................................................... 28
Figure 6.2 Leaders by Name Recognition ................................................................. 29
Figure 6.3 Leaders by Price ..................................................................................... 29
Figure 6.4 Leaders by Performance ........................................................................ 29
Figure 6.5 Leaders by Quality/Reliability ............................................................... 29
Figure 6.6 Leaders by Service & Support ............................................................... 30

SECTION VII

Figure 7.1 CRM Systems – Overall Results ............................................................. 31
Figure 7.2 Leaders by Name Recognition ................................................................. 32
Figure 7.3 Leaders by Price ..................................................................................... 32
Figure 7.4 Leaders by Performance ........................................................................ 32
Figure 7.5 Leaders by Quality/Reliability ............................................................... 32
Figure 7.6 Leaders by Service & Support ............................................................... 33

* All charts and figures in this report are original to Heavy Reading.
SECTION VIII

Figure 8.1 Multivendor Element Management Systems – Overall Results............. 34
Figure 8.2 Leaders by Name Recognition ............................................................ 35
Figure 8.3 Leaders by Price.................................................................................. 35
Figure 8.4 Leaders by Performance ....................................................................... 35
Figure 8.5 Leaders by Quality/Reliability .............................................................. 35
Figure 8.6 Leaders by Service & Support............................................................... 35

SECTION IX

Figure 9.1 Resource & Inventory Management Systems – Overall Results.......... 37
Figure 9.2 Leaders by Name Recognition ............................................................ 38
Figure 9.3 Leaders by Price.................................................................................. 38
Figure 9.4 Leaders by Performance ....................................................................... 38
Figure 9.5 Leaders by Quality/Reliability .............................................................. 38
Figure 9.6 Leaders by Service & Support............................................................... 39

SECTION X

Figure 10.1 Fault Management – Overall Results .................................................. 41
Figure 10.2 Leaders by Name Recognition ............................................................ 42
Figure 10.3 Leaders by Price.................................................................................. 42
Figure 10.4 Leaders by Performance ....................................................................... 42
Figure 10.5 Leaders by Quality/Reliability .............................................................. 42
Figure 10.6 Leaders by Service & Support............................................................... 43

SECTION XI

Figure 11.1 Performance Monitoring – Overall Results........................................ 44
Figure 11.2 Leaders by Name Recognition ............................................................ 45
Figure 11.3 Leaders by Price.................................................................................. 45
Figure 11.4 Leaders by Performance ....................................................................... 45
Figure 11.5 Leaders by Quality/Reliability .............................................................. 45
Figure 11.6 Leaders by Service & Support............................................................... 46

SECTION XII

Figure 12.1 Performance Monitoring – Overall Results........................................ 47
Figure 12.2 Leaders by Name Recognition ............................................................ 48
Figure 12.3 Leaders by Price.................................................................................. 48
Figure 12.4 Leaders by Performance ....................................................................... 48
Figure 12.5 Leaders by Quality/Reliability .............................................................. 48
Figure 12.6 Leaders by Service & Support............................................................... 49

SECTION XIII

Figure 13.1 Test & Measurement – Overall Results.............................................. 50
Figure 13.2 Leaders by Name Recognition ............................................................ 50
Figure 13.3 Leaders by Price.................................................................................. 50
Figure 13.4 Leaders by Performance ...................................................................... 50
