# LIST OF FIGURES*

**SECTION I**

- Figure 1.1 Major Supplier Outlook for M&A in 2006 ................................................... 7

**SECTION II**

- Figure 2.1 Huawei Contract Sales Growth, 2002-2005 ............................................ 11
- Figure 2.2 Huawei Revenue by Product Category, 2005 ............................................ 12
- Figure 2.3 Huawei Financials, 2001-2005 ................................................................. 12
- Figure 2.4 Huawei Revenue by Region, 2005 .......................................................... 13
- Figure 2.5 Huawei Products by Sector ..................................................................... 14
- Figure 2.6 Huawei Global R&D Centers ................................................................ 15

**SECTION III**

- Figure 3.1 VOIP Infrastructure Plans of Leading Equipment Vendors ................. 16
- Figure 3.2 Huawei Core Network Portfolio ............................................................... 17
- Figure 3.3 Core Network Sales Breakdown, 2005 .................................................... 17
- Figure 3.4 U-SYS NGN/IMS Roadmap .................................................................. 18

**SECTION IV**

- Figure 4.1 Announced IMS Contracts & Trials (Nov. 2004 – Oct. 2005) ............... 20
- Figure 4.2 Huawei Overall IMS Architecture ............................................................. 21
- Figure 4.3 Huawei IMS Control Layer Product Line ............................................... 21
- Figure 4.4 Huawei IMS Roadmap ........................................................................... 22

**SECTION V**

- Figure 5.1 IPTV Service Infrastructure Layer Diagram ........................................... 24
- Figure 5.2 Huawei IPTV Solution Architecture ......................................................... 25

**SECTION VI**

- Figure 6.1 Worldwide Metro WDM Market by Supplier, 2005 ................................ 28
- Figure 6.2 Global Long-Haul DWDM Market by Supplier, 2005 .............................. 28
- Figure 6.3 Huawei Optical Product Line ..................................................................... 29
- Figure 6.4 Optical Contract Sales by Region, 2005 .................................................. 29
- Figure 6.5 Optical Contract Sales by Product, 2005 ................................................ 30
- Figure 6.6 Huawei Optical Backbone Deployments ............................................... 30
- Figure 6.7 Huawei Optical Roadmap ........................................................................ 31

**SECTION VII**

- Figure 7.1 Huawei Datacom Product Portfolio .......................................................... 32
- Figure 7.2 Datacom Segment Sales by Product, 2005 ........................................... 32
- Figure 7.3 Datacom Segment Sales by Region, 2005 .............................................. 33
- Figure 7.4 Huawei Deployment in China Next Generation Internet Project .......... 34
- Figure 7.5 Carrier Ethernet Revenue & Market Share by Quarter .......................... 37
- Figure 7.6 Carrier Ethernet Revenue & Market Share, Rolling 4 Quarters .............. 37

* All charts and figures in this report are original to *Heavy Reading*, unless otherwise noted.
SECTION VIII

Figure 8.1 Huawei Access Network Products........................................................... 38
Figure 8.2 Access Sales by Product Class, 2005..................................................... 38
Figure 8.3 Access Sales by Region, 2005................................................................. 39
Figure 8.5 FTTH Households & Penetration by Top Ten Countries, 2011 ............... 40

SECTION IX

Figure 9.1 Mobile Infrastructure Sales by Region, 2005........................................... 42
