LIST OF FIGURES*

SECTION I
Figure 1.1: Worldwide Metro/Regional ROADM Systems Market................................. 5
Figure 1.2: Metro/Regional ROADM System Shipments by Technology ..................... 6

SECTION II
Figure 2.1: ROADM System Diagram ........................................................................... 8
Figure 2.2: Generations of WDM Systems................................................................. 9
Figure 2.3: Metro WDM/ROADM Vendors & Products ............................................. 11

SECTION III
Figure 3.1: Locating ROADM in Carrier Networks .................................................. 12
Figure 3.2: Potential ROADM Market Drivers ......................................................... 13
Figure 3.3: Two-Degree Metro ROADM Node With Four WSS Modules .................... 15
Figure 3.4: Which Optical Architectures Are Best Suited for Scaleable IP Video? ....... 16
Figure 3.5: Metro/Regional ROADM System Shipments by Technology ................. 17

SECTION IV
Figure 4.1: Worldwide Metro WDM Revenue & Market Share, 2005-1H06 ............... 18
Figure 4.2: Worldwide Metro WDM Revenue .......................................................... 19
Figure 4.3: Worldwide Metro WDM Revenue by Region .......................................... 19
Figure 4.4: Worldwide Metro WDM Revenue by Application .................................... 20

SECTION V
Figure 5.1: Worldwide ROADM Revenue & Market Share, 2005-1H06 .................... 21
Figure 5.2: Worldwide ROADM Systems Forecast ............................................... 22
Figure 5.3: Worldwide ROADM Revenue as a Percentage of Metro WDM Revenue ... 22
Figure 5.4: ROADM vs. Traditional WDM Revenue Growth Rates ......................... 23
Figure 5.5: Worldwide ROADM Systems Forecast by Region .................................. 23
Figure 5.6: Worldwide ROADM Systems Shipments Forecast (Units) ....................... 24
Figure 5.7: Worldwide ROADM Systems Shipments Forecast by Region (Units) ...... 24
Figure 5.8: Metro/Regional ROADM Subsystem Revenue Forecast ......................... 25
Figure 5.9: Metro/Regional ROADM Subsystem Revenue Forecast ......................... 25

SECTION VI
Figure 6.1: Cisco ONS 15454 Customer Announcements ........................................ 29
