LIST OF FIGURES*

SECTION I

SECTION II

Figure 2.1 Global W-CDMA, HSPA & GSM Subscribers (December 2007) ............... 8
Figure 2.2 W-CDMA/HSPA as a Percentage of 3GPP Subscribers by Region .......... 9
Figure 2.3 Global Capex on GSM/EDGE & W-CDMA/HSPA (2005-2007) ............. 10
Figure 2.4 Breakdown of 2007 GSM/EDGE Infrastructure Capex by Region .... 11
Figure 2.5 Bharti Telecom – Key Network Statistics (4Q06-4Q07) ...................... 11
Figure 2.6 Capex for Orascom GSM Operator Affiliates (2006-2007) .............. 13
Figure 2.7 Regional Distribution of W-CDMA/HSPA Capex (2007) ............... 14
Figure 2.8 Deployed HSPA Releases Worldwide (March 10, 2008) ............... 14

SECTION III

SECTION IV

Figure 4.1 W-CDMA vs. GSM/GPRS Handset Prices (2007-2012) ...................... 20
Figure 4.2 EDGE & EDGE Evolution Speed Enhancements ......................... 22
Figure 4.3 Latency in the 3GPP Family of Network Technologies ................ 23
Figure 4.4 Mobile Broadband Choices of GSM Operators in Emerging Markets 25

SECTION V

Figure 5.1 The HSPA Evolution Throughput Roadmap (3GPP R5 to 3GPP R9) .... 30

SECTION VI

Figure 6.1 Global Capex Forecast for GSM, W-CDMA & LTE (2008-2012) .......... 33
Figure 6.2 Capex Outlook for Millicom, Orascom, MTN & America Movil (2008) 34
Figure 6.3 Capex Outlook for China Mobile (2008-2010) ............................... 34
Figure 6.4 GSM/EDGE Capex Forecast (2007-2012) ................................. 36
Figure 6.5 W-CDMA/HSPA Capex Forecast (2008-2012) ....................... 37

SECTION VII

Figure 7.1 Overall 3GPP Infrastructure Share by Revenue (2007) .................... 41
Figure 7.2 Global GSM Infrastructure Market Share by Revenue (2007) .......... 42
Figure 7.3 W-CDMA Infrastructure Share by Revenue (2007) ...................... 42
Figure 7.4 New W-CDMA Footprint Gains (July 2007-March 2008)* ............. 43
Figure 7.5 Vendors & Their LTE References ............................................. 44

SECTION VIII

* All charts and figures in this report are original to Heavy Reading, unless otherwise noted.
