LIST OF FIGURES*

SECTION I

SECTION II
Figure 2.1 EPL & EVPL Architectures ................................................................. 10

SECTION III

SECTION IV

SECTION V
Figure 5.1 AT&T Ethernet Services ................................................................. 22
Figure 5.2 Cogent Network Map ................................................................. 27
Figure 5.3 Verizon Optical Network Service .................................................. 39
Figure 5.4 Verizon Transparent LAN Service .................................................. 39

SECTION VI
Figure 6.1 U.S. Wholesale Public Ethernet Market ........................................ 44
Figure 6.2 Wholesale Ethernet Market by Buyer Type .................................... 45
Figure 6.3 Wholesale Ethernet Revenue Share by Buyer Type ....................... 45
Figure 6.4 Wholesale Ethernet Market by Topology ...................................... 46
Figure 6.5 Wholesale Ethernet Revenue Share by Topology ......................... 47
Figure 6.6 Wholesale Ethernet Market by Regional Domain ....................... 47
Figure 6.7 Wholesale Ethernet Revenue Share by Regional Domain ............ 47
Figure 6.8 Backhaul Capacity Requirements at the Cell Site ....................... 48
Figure 6.9 Wholesale Ethernet Revenues by Bandwidth Level ...................... 49
Figure 6.10 Wholesale Ethernet Revenue Share by Bandwidth Level .............. 49
