SECTION II

SECTION III

SECTION IV

Figure 4.1 Financial Revenues .................................................................................................. 26
Figure 4.2 Healthcare Revenues ............................................................................................... 26
Figure 4.3 Education Revenues ............................................................................................... 26
Figure 4.4 Government Revenues ........................................................................................... 27
Figure 4.5 Media/Entertainment Revenues .............................................................................. 27
Figure 4.6 Financial Revenues by Regional Domain ................................................................. 27
Figure 4.7 Financial Share by Regional Domain ...................................................................... 28
Figure 4.8 Healthcare Revenues by Regional Domain .............................................................. 28
Figure 4.9 Healthcare Share by Regional Domain ................................................................. 28
Figure 4.10 Education Revenues by Regional Domain .............................................................. 28
Figure 4.11 Education Share by Regional Domain .................................................................. 29
Figure 4.12 Government Revenues by Regional Domain ......................................................... 29
Figure 4.13 Government Share by Regional Domain ............................................................... 30
Figure 4.14 Media/Entertainment Revenues by Regional Domain ............................................ 30
Figure 4.15 Media/Entertainment Share by Regional Domain .................................................. 30
Figure 4.16 Financial Revenues by Service Topology ............................................................ 31
Figure 4.17 Financial Share by Service Topology .................................................................... 31
Figure 4.18 Healthcare Revenues by Service Topology .......................................................... 31
Figure 4.19 Healthcare Share by Service Topology .................................................................. 32
Figure 4.20 Education Revenues by Service Topology .......................................................... 32
Figure 4.21 Education Share by Service Topology .................................................................. 32
Figure 4.22 Government Revenues by Service Topology ....................................................... 33
Figure 4.23 Government Share by Service Topology .............................................................. 33
Figure 4.24 Media/Entertainment Revenues by Service Topology .......................................... 33
Figure 4.25 Media/Entertainment Share by Service Topology ................................................ 34
Figure 4.26 Financial Revenues by Bandwidth Level .............................................................. 34
Figure 4.27 Financial Share by Bandwidth Level ..................................................................... 35
Figure 4.28 Healthcare Revenues by Bandwidth Level ............................................................ 35
Figure 4.29 Healthcare Share by Bandwidth Level ................................................................... 36
Figure 4.30 Education Revenues by Bandwidth Level ............................................................ 36
Figure 4.31 Education Share by Bandwidth Level ................................................................... 37
Figure 4.32 Government Revenues by Bandwidth Level .......................................................... 38
Figure 4.33 Government Share by Bandwidth Level ............................................................... 38
Figure 4.34 Media/Entertainment Revenues by Bandwidth Level ........................................... 39
Figure 4.35 Media/Entertainment Share by Bandwidth Level .................................................. 39
