## LIST OF FIGURES*

**SECTION I**

**SECTION II**

- Figure 2.1: KPN International's New Market Approach .................................................... 9
- Figure 2.2: Interoute – Demand for 10G Waves in Western Europe .............................. 10
- Figure 2.3: Interoute – The Network Is the Exchange .................................................... 11
- Figure 2.4: TATA's Global Network Upgrade Using PBB ............................................. 13

**SECTION III**

- Figure 3.1: Verizon's WAN Services Solutions .............................................................. 15
- Figure 3.2: Verizon's Cloud-Based Solutions ................................................................. 16
- Figure 3.3: Verizon's Computing as a Service Solution ................................................. 17

**SECTION IV**

- Figure 4.1: Cable & Wireless – Examples of Ethernet Access Options ....................... 18

**SECTION V**

- Figure 5.1: Equinix Carrier Ethernet Exchange Components ....................................... 20
- Figure 5.2: CENX Carrier Ethernet Exchange ............................................................... 22
- Figure 5.3: Telx Ethernet-Enabled Cloud ....................................................................... 24

**SECTION VI**

- Figure 6.1: AboveNet – Customer Solution Example ..................................................... 27

**SECTION VII**

- Figure 7.1: BT's Mobile Backhaul – Beginning Transformation ..................................... 30
- Figure 7.2: BT's Mobile Backhaul – Adding Ethernet at the BTS/Node B .................... 30
- Figure 7.3: BT's Mobile Backhaul – Upgrading Ethernet-Based Network .................... 31
- Figure 7.4: BT's Mobile Backhaul – Preparing for the Move to LTE ............................ 32

**SECTION VIII**

- Figure 8.1: BT Wholesale's Ethernet Access Choices .................................................. 36
- Figure 8.2: Tinet's EtherCloud Service ............................................................................ 38

**SECTION IX**
