LIST OF FIGURES*

SECTION I

SECTION II
Figure 2.1: Respondents by Job Function/Title............................................................... 10
Figure 2.2: Respondents by Business Sector................................................................. 11
Figure 2.3: Respondents by Region................................................................................ 11
Figure 2.4: Respondents by Region Where Company Has IT/Business Facilities ...... 12
Figure 2.5: Respondents by Company Size.................................................................... 12

SECTION III
Figure 3.1: Identity Management Standards Initiatives................................................... 16

SECTION IV
Figure 4.1: Effectiveness of Current Security Technologies & Services ......................... 19
Figure 4.2: Origin of Security Threats ............................................................................. 20
Figure 4.3: Past Network/Data Security Breaches............................................................ 20
Figure 4.4: Past Network/Data Security Breaches (IT/IS Management Responses)..... 21
Figure 4.5: Security Strategies Characterized ................................................................. 22
Figure 4.6: Security Strategies Characterized (Large Companies)............................... 22
Figure 4.7: Security Strategies, Firewall Effectiveness, & Overall Security Efforts........ 23
Figure 4.8: Are Security Efforts Better Than Average?................................................... 23

SECTION V
Figure 5.1: Level of Devotion to Security Initiatives ....................................................... 25
Figure 5.2: Level of Devotion to Security Initiatives (Large Companies) ..................... 25
Figure 5.3: Roadblocks to Successful Security Initiatives............................................... 26
Figure 5.4: Roadblocks to Successful Security Initiatives (Large Companies) ............ 26
Figure 5.5: Roadblocks to Successful Security Initiatives (Medium Companies) ......... 27
Figure 5.6: Roadblocks to Successful Security Initiatives (Small Companies) ............ 27
Figure 5.7: Security Spending for the Next Two Years (Large Companies) ................. 28
Figure 5.8: Security Spending for the Next Two Years (Medium Companies) ............. 29
Figure 5.9: Security Spending for the Next Two Years (Small Companies) ............... 29
Figure 5.10: Issues Influencing Spending (Large Organizations)................................. 30
Figure 5.11: Issues Influencing Spending (Medium Organizations)............................. 30
Figure 5.12: Issues Influencing Spending (Small Organizations)................................. 31
Figure 5.13: Features, Capabilities, & Related Issues That Will Guide Spending ......... 31
Figure 5.14: Current & Near-Term Demand for MSS.................................................... 33

SECTION VI
Figure 6.1: Important Compliance Regulations............................................................. 34
Figure 6.2: The Impact of Major Compliance Regulations............................................. 36
Figure 6.3: Important Industry Initiatives..................................................................... 37

* All charts and figures in this report are original to Heavy Reading, unless otherwise noted.
SECTION VI (CONTINUED)

Figure 6.4: The Influence of Major Industry Initiatives ............................................. 37
Figure 6.5: The Influence of Major Industry Initiatives (Large Organizations) ............ 38
Figure 6.6: The Influence of Major Industry Initiatives (Medium Organizations) ........ 38
Figure 6.7: The Influence of Major Industry Initiatives (Small Organizations) .......... 38

SECTION VII

Figure 7.1: Security Products Currently Deployed ................................................. 40
Figure 7.2: Security Deployments Planned Over the Next Year .............................. 41
Figure 7.3: Security Products With No Current Plans to Deploy ............................ 42

SECTION VIII

Figure 8.1: Factors Determining Vendor Choice of Security Products .................... 44
Figure 8.2: Vendors Perceived as Market Leaders ................................................. 47

SECTION IX
